

CONSENT FORM
Elkhorn Animal Hospital
402-289-4285

Owner Name: _____ Pets Name _____

Date of Surgery: _____

Telephone number(s) we can reach you at from 8 a.m. – 12 p.m. _____

Procedure: _____

PLEASE READ CAREFULLY AND SIGN

The procedure that your pet will be undergoing today includes the following:

- a pre-surgical exam
- the surgical procedure itself
- pain management (**during surgery, post surgery and for use at home as necessary**)
- anesthesia
- surgical monitoring

In addition, prior to surgery, we recommend a blood profile to ensure that your pet is in a low risk category prior to anesthesia. The latest technology has enabled us to run safe and accurate blood chemistries minutes before anesthetic induction. These tests are similar to those your own physician would run were you to undergo a surgical procedure. The results of these tests will also serve as reference values for future use should your pet become ill. **The costs listed below are in addition to the cost of the surgery itself.**

PROFILE #1 HEALTHY PATIENTS UNDER 7 YEARS OF AGE COST = \$100.00

Includes: Complete Blood Count (assesses anemia, infection, clotting)
BUN (kidney) ALKP (liver) Glucose (sugar) ALT (liver)
TP / Electrolytes (hydration) Creatinine (kidney)

PROFILE #2 PATIENTS OVER 7 YEARS OF AGE COST = \$110.00
OR PATIENTS WITH QUESTIONABLE HEALTH STATUS

Includes: all the tests in Profile #1 **plus** expanded testing of concern for older pets.

Senior Wellness Profile PATIENTS OVER 7 YEARS OF AGE COST = \$125.00
OR PATIENTS WITH QUESTIONABLE HEALTH STATUS

Includes: all the tests in Profile #2 **plus** Thyroid, SDMA and Urine tests.

Senior Wellness Testing has to be done one month to two days prior to surgery. Please call ahead of time to schedule a fasted blood draw and urine collection with a Vet Tech prior to surgery.

CHECK ONE: _____ Profile #1 _____ Profile #2 _____ Decline pre-surgical testing

Bloodwork Completed within last 30 days

PET IDENTIFICATION (HomeAgain)

COST = \$42.99**

****Includes cost to implant chip, activation fee and first year membership.**

We recommend implanting **HomeAgain** microchips in case pets are lost or stolen. This is a permanent identification that your pet can never lose, alter or damage. Animal shelters nationwide routinely scan all pets they receive.

CHECK ONE: Yes No I would like a microchip implanted in my pet.

I am the owner or agent for the owner and hereby consent and authorize the performance of the procedure(s) listed above. I also authorize the use of appropriate anesthetics and other medications deemed necessary by the Veterinarian. I have been advised to the nature of the procedures or operations and the risks involved. I realize that results cannot be guaranteed. I have read and understand this authorization and consent.
